Your child will be enrolled in our preschool program when we receive this application form and a space is available. Children served in our program range in age from 2 to 5 years of age and don't have to be toilet trained. The legal guardians will be required to fill out paper work prior to the child's first day of school. One of the required forms must be filled out by the child's Doctor. We recommend and welcome a visit with your child before enrolling in our program.
